

Celebrating 10 years

Dinner by the Bite!

A Night Of Renewed Hope

Sunday, October 23rd, 2022

Benefiting the Elderly and the Little Sisters of the Poor at the
Jeanne Jugan Residence.

Continuing our Mission of Service to the Elderly

Depending on Your Support

As we continue to rebound from the difficult time of the COVID Pandemic, we also continue to live our mission of caring for the elderly poor with renewed enthusiasm. In all times, our mission remains caring for the elderly poor as we would care for Jesus himself. We have the great consolation that we do not live our mission alone. We depend on the grace of God working through so many who continue to support our efforts and enable us to provide so well for our Residents. We thank you, our benefactors for all you do to assist us in our work. We invite you once again to support us through our X20 Event-Dinner by the Bite. ***We rely on your help now more than ever.***

Dinner by the Bite is traditionally one of our two largest fundraising events. This year, the evening will not include silent auctions, baskets or raffles of any kind. Instead, ***we are asking people to show their support prior to the event by becoming sponsors.*** There are several sponsorship levels. We hope that one of them will be right for you.

Saint Jeanne Jugan always thanked her benefactors by praying for them, saying, “What could we do for the elderly without them?” Like Saint Jeanne Jugan, ***we recognize that our benefactors are indispensable partners*** in our mission. Like her, ***we pray for you every day!*** We ask that you continue to support the work of the Little Sisters of the Poor as you have in the past and, if possible, perhaps a little more. Thank you and God bless!
