

October 9,2020

Dear Family members,

The colorful fall weather lifts the spirits and reminds us of the beauty of God surrounding us! The good news this week is that we are still COVID-free. All staff and Sisters continue to be tested weekly and we have had no new cases of the virus among us.

The Residents are also well and healthy. They enjoy the many creative activities supplied by the Activity Department, and although participation is in small groups, they still have a chance for socialization and some good times. The latest "Halloween games" kept everyone alert and competitive and afterwards everyone enjoyed storytelling around some very interesting Halloween décor.

Although we still face the challenges of lockdown everyone embraces the sacrifices necessary to keep our Residents safe and healthy. Hopefully things will eventually return to normal and we will again be able to open our doors to our families, friends, and volunteers. In the meantime we keep all of you in our hearts and prayers! Stay safe.

Sincerely,

Sr. Gertrude Mary lsp
