Dear Family Members,

Happy Valentine's Day! As you know we continue to test all Staff and Sisters twice a week and everyone tested negative this week. In our last letter we announced that we can resume limited family visits, which is a welcome gift for Valentine's Day!

We are also happy to share with you the good news that Al Marie, our full-time day nurse gave birth to a beautiful healthy baby girl this week! Please keep her and the family in your good prayers. Additional good news is that Mylyn Llanos has decided to stay on part-time to help in activities.

We continue to have confidence that as the distribution of the vaccine continues we will soon enjoy release from lockdown and the elimination of some of the many demands resulting from the virus. We will certainly keep you posted as we move forward. Have a wonderful weekend!

Sincerely,

Sr. Gertrude Mary
