

Jeanne Jugan Residence  
2999 Schurz Ave  
Bronx, NY 10465

March 6, 2021

Dear Family Members,

We are happy to share the good news that we can resume family visits on Monday, March 8, 2021. Melanie will begin rescheduling limited visits by phone and may have already contacted you.

The newest guidelines state that family members visiting the Home must now be tested 72 HOURS BEFORE VISITING. We understand how this can be difficult and recommend you check City MD on East Tremont. We are told that they do Rapid Testing providing results within fifteen minutes. You must bring your results before visiting and we are still expected to supervise all visits. Screening, wearing masks and sitting six feet apart are still in effect.

Everyone (staff and Sisters) tested negative this past week and all the Residents were tested as well and everyone was negative. The residents are again able to leave their rooms for planned activities while respecting social distancing. We are grateful that we are able to again welcome you for short visits and continue to pray that we will soon be able to open our doors to you and our volunteers soon. God bless and have a wonderful weekend.

Sincerely,

*Sr. Gertrude Mary*
