Dear Family Member,

I'm happy to share the good news in this update that all staff, Little Sisters and Residents tested negative in our last round of testing. Despite this good news we are still in quarantine for two weeks and all visitations are discontinued until at least March 23<sup>rd</sup>.

The weather has been beautiful but still a little too chilly to bring the Residents outdoors. A few ventured outdoors the other day but did not stay too long. As we get closer to spring I'm sure the Residents will be able to venture out for longer periods of time.

We are looking forward to celebrating the two great feasts of the month: St. Patrick and St. Joseph. Although the parade has been cancelled, the Residents will still have a chance to enjoy a good Irish meal. On St. Joseph's Day, thanks to the generosity of our friends on Arthur Avenue, we will be able to treat the Residents to some delicious Italian pastry.

As we continue to take one day at a time, we confide our situation to our friends in heaven and continue to ask them to help us get back to normal soon. God bless and have a great weekend!

Sincerely,

*Sr. Gertrude Mary*
