

Jeanne Jugan Residence  
2999 Schurz Ave  
Bronx, NY 10465

March 23, 2021

Dear Family Member,

Unfortunately, a Resident who recently returned from the hospital has tested positive. As a result, serial testing for the Residents will continue weekly until all Residents test negative.

State regulations also require us to cancel all family visitations again until further notice. Sorry for this sad news but we will continue to do what we can to keep the Residents engaged and active within the limits of the Covid-19 regulations. God bless.

Sincerely,

*Sr. Gertrude Mary*
