

April 17, 2021

Dear Family Members,

As you know from our last letter, we are still in quarantine due to a staff member testing positive. Yesterday evening, we learned that a fully vaccinated staff member has also tested positive. She only worked on the Clare side. So, as of today, the Francis side will be able to come out of quarantine on April 22nd but the Clare side must remain in quarantine until the 30th.

We continue to test bi-weekly and so far everyone has tested negative. The Residents were tested on Thursday and they all tested negative for COVID-19. As we continue to look forward to warmer weather and the opportunities it affords, we assure you of our continued efforts to keep our Residents safe and engaged in activities within the limits of the pandemic regulations.

Have a great weekend!

Sincerely,

Sr. Gertrude Mary lsp
