Dear Family Members,

Great News! The Francis side has been released from quarantine. In addition, all of the Residents tested this week tested negative for COVID-19. As I mentioned last week, due to a staff positive case on the St. Clare Side, they will remain in quarantine until April 30th.

We are also happy to announce that thanks to the hard work on the part of our Maintenance staff and installation of a gate, the outdoor area is now ready for family visitations.

Hope you enjoy this beautiful weekend weather as we continue to look forward to the day when our home will be completely open to family and friends. God bless.

Sincerely,

Sr. Gertrude Mary
