Dear Family Members,

Wishing you many blessings on this beautiful feast of St. Joseph the Worker. We are happy to announce that all staff, Sisters and Residents tested negative this week for COVID-19. The Saint Clare side is now released from quarantine, which means they can enjoy coming out of their rooms and participating in socially distanced activities. They can also receive visitation once again. Please keep us all in your prayers that we will be able to stay out of quarantine for a while!! The nice weather will allow some outdoor fun and the Residents are looking forward to enjoying the sun and fresh air.

Please keep Sister Emmanuel in your prayers. She left us today for her new assignment at our retreat house in Flemington, New Jersey. We are grateful to her for her 6 years of service in the Bronx.

On Sunday our Association Jeanne Jugan Members will renew their promises outdoors around the statue of St. Jeanne Jugan, a welcome event since the cancellation of all events last year has kept everyone apart. Have a wonderful weekend!

Sincerely,

Sr. Gertrude Mary lsp
