Dear Family Members,

You will be happy to know that all staff and Sisters tested negative again this week. We continue to have limited activities and we're hoping (weather permitting) to have another outdoor barbeque on Memorial Day while of course respecting social distancing. The Residents are still talking about the last one we had last Friday. It was a great day and the weather was perfect.

We will soon welcome another Little Sister into our small community here at Jeanne Jugan Residence to replace Sister Emmanuel who was transferred to Flemington New Jersey, our retreat house. She is doing very well there and is a big help to the sisters who provide retreats for the Little Sisters throughout the country and vacations for the Residents in our nearby homes. Sister MaryJo is presently on retreat and will join the Bronx community on June 8th. We are looking forward to welcoming her. She is coming from the novitiate community where I'm sure she will be missed.

We will be celebrating some of the most important feasts of the liturgical calendar during this month of June beginning with the feast of the Trinity this Sunday. Some of our Residents are now permitted to come to the chapel for Mass while respecting social distancing etc. This has been a real blessing for all! Hopefully we will soon be permitted to open the chapel to everyone! Have a great weekend!

Sincerely,

Sr. Gertrude Mary lsp
