Dear Family Members,

As we come to the end of the first week in June, we are again happy to tell you that all staff and Sisters tested negative. Thanks to the generosity of a benefactor we have been able to purchase small tables on wheels. These tables were delivered the other day and have allowed us to bring more than two thirds of the Residents back into the dining room. They were all so happy to be together again after so many months eating alone in their rooms! It was truly a joyous day for all. As you can imagine meals together provide an irreplaceable aspect of socialization and family encounters.

This is just another sign of improvement and an assurance that things are slowly heading towards normalcy. Have a great weekend.

Sincerely,

*Sr. Gertrude Mary*
