

June 25, 2021

Dear Family members,

The Little Sisters want to wish everyone a very Happy Fourth of July and assure you of our prayers as we continue to see the opening of our City and the restrictions slowly being lifted. Nursing homes seem to be the last to enjoy freedom from the restrictions, but we are hopeful that Jeanne Jugan Residence will soon be free to open our doors to our families, friends and volunteers.

Thankfully, we have had no cases of COVID-19 over the past week. Late last evening, we were informed that Governor Cuomo has released new guidance once again concerning COVID-19 and our Associations are reporting that things may become more aligned with CDC guidance in the near future. We are confident that more of the restrictions will be loosening up soon. We are happy to report that all of the residents are now vaccinated against COVID-19.

We thank God daily for the tremendous support of our benefactors and the understanding of our family members during this terrible crisis. Despite the many challenges and difficulties, we realize that it could have been so much worse. We continue to be vigilant in infection control practices in order to assure the safety and good health of our Residents, staff and Sisters. Have a wonderful weekend.

Sincerely,
Sr. Gertrude Mary Isp
