Dear Family Members,

Happy 4th of July! We are happy to announce that once again we have had no cases of COVID-19 over the past week. As we mentioned last week, we were informed that Governor Cuomo released new guidance concerning COVID-19 and our Associations are still hoping that these guidelines will become more aligned with CDC guidance in the near future.

Since then we have not received any new information from the Department of Health and continue to wait for clarification from them and from our associations. We are hoping that more of the restrictions will be loosening up soon.

Hoping the weather will permit everyone to enjoy the holiday weekend with family gatherings and traditional cook-outs. We will continue to keep you informed about any new developments. God bless and have a great weekend.

Sincerely,

Sr. Gertrude Mary
