

Jeanne Jugan Residence
2999 Schurz Ave
Bronx, NY 10465

August 7, 2021

Dear Family Members,

It's hard to believe that we are already in the month of August and we are still experiencing consequences of Covid-19. We thank God every day for the good health of all the Residents and Sisters. All staff also continue to be Covid-19 free. Our chaplain visits the Residents regularly and we are able to allow some of the 2nd floor Residents to attend daily Mass. We have also arranged with the chaplain to say a 4:00 p.m. Mass every Saturday for the apartment residents in a room on the first floor.

We have not received any new developments from the Department of Health and continue to do all we can to keep the Residents safe. Melanie, our Activity Director continues to work hard to engage the Residents in meaningful activities and we are very grateful to have the Residents enjoy one another in communal dining without social distancing or masks.

Hopefully as more people come to the realization of the critical need to be vaccinated we will see nursing homes open their doors to family and friends soon. God bless and have a great weekend.

Sincerely,

Sr. Gertrude Mary
