Dear Family Members,

On Sunday we celebrate the beautiful feast of the Assumption and today we are zooming a meeting with all our Homes in the province to share our reflections on Mary and the Rosary. Some of the Residents and Sisters from six of our Homes and several young women spending time at our house of formation will join in. We have three young women in Palatine participating in our newly established pre-postulancy program. They will also join with us to pray together and to listen to the reflections of one of the Little Sisters on "Mary in the Life of St. Jeanne Jugan."

Our chaplain left us to attend a funeral in Nevada and many of our priest friends are filling in to offer daily Mass while he is away. It's been great seeing them again after so long. They generously take time from their busy schedules to come to the Jeanne Jugan Residence for Mass. We are deeply grateful for their help.

We are happy to announce that we again have had no cases of COVID-19 over the past week. We have not received any new developments from the Department of Health and continue to do all we can to keep the Residents safe. It's disappointing to see such a surge of cases throughout the country. We pray for all the sick and continue to be vigilant in hand washing, wearing masks etc. We continue to hope that more of those unvaccinated will come to realize how important it is to get the vaccine and protect themselves, their families and all those they come in contact with. Have a great weekend!

Sincerely,

*Sr. Gertrude Mary*
