Dear Family Members,

We join you in remembering and praying for all those who lost their lives on September 11th, twenty years ago. This evil and tragic event is reminder of the need for us to pray for peace in the world.

We are happy to tell you that there were no reported cases of the virus this week among our Residents, staff and Little Sisters. Our Activity Department continues to work hard at keeping the Residents meaningfully engaged. The cooler weather continues to offer opportunities to go outdoors and enjoy the fresh air and our Residents are profiting of these occasions. It's wonderful to see them enjoying communal meals again and spending time with each other at the dinner table. Have a great weekend.

We hope to receive updates soon on the upcoming booster shots of the COVID-19 Vaccine for the residents and staff members. We will keep you posted.

Sincerely,

Sr. Gertrude Mary
