Dear Family Members,

We are happy to tell you that there were no reported cases of the virus this week among our Residents, staff and Sisters. We continue to be vigilant in our infection control practices in our efforts to keep everyone safe and healthy. Hopefully the weekend will bring beautiful weather and a chance for everyone to enjoy family and friends.

Our Residents continue to enjoy the outdoors while the weather permits and our Activity Department continues to do all they can to keep the Residents engaged and busy. We have not received any "new" guidelines from the State Health Department but will continue to keep you posted going forward. God bless and have a wonderful weekend.

Sincerely,

Sr. Gertrude Mary
