Dear Family Members,

I'm happy to tell you that we have not had any cases of the virus this week. Although it's tempting to loosen up on restrictions we realize that the virus is still very active affecting 3,000-5,000 New Yorkers daily. We continue to remind our staff of the importance of good Infection preventive practices and monitor infection preventive behaviors regularly.

On a happier note we look forward to the completion of the patio pavilion which is taking shape and should be completed by the 14<sup>th</sup> of October. We plan on having a fun event around its completion. The beautiful weather will hopefully continue and nice weather on the 15<sup>th</sup> will allow a BBQ etc. to introduce the Residents to the new pavilion. Have a great weekend.

Sincerely,

*Sr. Gertrude Mary*
