Dear Family Members,

I'm happy to inform you that all staff, sisters and Residents tested negative last week. Hopefully the last round of testing will take place next week and it will be the last if everyone tests negative.

We join you in praising God on the beautiful feast of All Saints. I'm sure this day brings to mind all the wonderful people in your lives who are now enjoying God's presence and while here with us witnessed in their ordinary everyday actions, a reflection of the goodness and compassion of Christ. May they continue to pray for us as we deal with the daily struggles of the virus and its impact on everyone's life. God bless and have a wonderful weekend.

Sincerely,

Sr. Gertrude Mary
