Dear Family Members,

I'm happy to announce that no one tested positive at the last round of testing. Our Residents continue to enjoy activities conducted by staff and sisters from horseracing to delightful craft projects like pumpkin decorating and canvas painting.

We have received the exciting news of a visit of our Mother General to the USA in December. She has been attempting a visit for a long time but due to the pandemic activity both in the USA and France it was impossible. She will visit the three provinces of the U.S.A. Please keep her trip and safety in your prayers. We will keep you posted. Enjoy the beautiful fall weather this weekend. God Bless.

Sincerely,

*Sr. Gertrude Mary*
