Dear Family Members,

I am happy to again inform you that we had no positive cases of the virus this week. The Residents enjoyed their retreat with our chaplain Fr. Patrick Universal. He's an excellent preacher and the conferences, time of prayer and Benediction has been a source of peace and a beautiful preparation for the celebration of Christmas.

We are now in full preparations to welcome our Mother General who will arrive in Queens on Monday. We are privileged to also welcome her to our home here in the Bronx on Thursday. This is her first visit to the USA and you can follow her program by visiting our national website.

Hope you continue to have a blessed Advent and find some quiet time amidst the busyness of the Christmas preparations. God bless and have a great weekend.

Sincerely,

Sr. Gertrude Mary
