Dear Family Members,

We are happy to tell you that we have not had any positive cases of the virus this week. We have started our Christmas decorations and hopefully the Christmas “look” will cheer the residents as we continue to face the restrictions imposed by the new Covid variant.

Thank you for your cooperation when visiting family members. I’m sure you realize how crucial it is to follow the necessary Infection Control practices in place in order to keep your loved one safe and protected. We are particularly grateful to all who wear their mask faithfully according to guidelines so as to keep our elders healthy.

We thank God for his many blessings and look forward to this beautiful Christmas season. Our Residents will enjoy a two-day retreat given by our Chaplain Fr Patrick Universal in order to help prepare spiritually during this season of Advent.

Praying that you have a blessed Advent and looking forward to the day when we can again open our doors to all our friends, volunteers and families. God bless and have a great weekend!

Sincerely,

Sr. Gertrude Mary
