Dear Family Members,

On this beautiful feast of our Lady of Lourdes I am happy to tell you that we have had no positive case of Covid-19 among Residents or staff. We're happy to see that the many restrictions surrounding the pandemic are beginning to be lifted.

I'm sure Nursing Homes will be the last to experience the termination of any restrictions imposed since the pandemic but things are still looking very positive just the same. As we celebrate this day dedicated to Our Lady of Lourdes and the sick we remember all those still suffering from Covid 19 restrictions or are ill. Many of you know Marguerita, our hairdresser. We ask you to keep her in your prayers as she lost her daughter to illness this week. She was her only child.

We're grateful for all the support given by so many friends and the understanding of our families and volunteers in these trying times. Have a nice weekend.

Sincerely,

Sr. Gertrude Mary
