Dear Family Members,

I am happy to tell you that there were no cases of the Covid-19 among the Residents, Staff and Sisters this week. Although Covid-19 restrictions are not easing up yet for nursing homes, we are happy to see that they are in other areas. This makes it very hopeful that we will soon find some of our restrictions also being lifted soon.

The Residents enjoyed a very action filled Mardi Gras party and appreciated the well-prepared decorations and food! Everyone had a great time. Ash Wednesday is around the corner and the door is opening to the month of March on Tuesday! Hard to believe another month has just whizzed by. We're looking forward to the spiritual richness Lent offers in preparation for the beautiful feast of Easter. Have a great weekend.

Sincerely,

Sr. Gertrude Mary
