Dear Family Member,

On this beautiful feast of our patron St. Joseph I'm happy to tell you that we had no positive cases of Covid-19 among staff, Residents and sisters. The Residents enjoyed a beautiful mass and we were all treated to the famous pastry that is considered an essential on his feast day.

A lovely St. Josephs table was set up in each dining room and our chaplain was happy to bless all the beautiful donations of pastries we received by first invoking our holy patron and thanking him for his vigilant solicitude of the family of St. Jeanne Jugan all over the world.

We also enjoyed a great celebration on the feast of St. Patrick as well. Everyone donned their green and Melanie made sure that everyone enjoyed the festivities planned on the afternoon of the 17<sup>th</sup>. Although we couldn't join the Throggs Neck St. Patrick's Day parade we celebrated just the same with Irish coffee and homemade Irish bread. Hopefully next year will be different and we will again be able to enjoy so many wonderful things we took for granted. God bless and have a great weekend.

Sincerely,

*Sr. Gertrude Mary*
