

Jeanne Jugan Residence  
2999 Schurz Ave  
Bronx, NY 10465

February 28, 2022

Dear Family Members,

Unfortunately, one of our staff members informed us today that she tested positive to the Covid-19 virus. We will need to test all Residents and exposed staff for the next fourteen days. If everyone remains negative during the testing period we will be able terminate testing. Fortunately, all residents tested negative today for COVID-19. We will keep you posted.

Sincerely,

*Sr. Gertrude Mary*
