Dear Family Members,

I'm happy to tell you that we have had no positive cases of the Covid-19 virus among the Residents, Staff and Sisters since our last newsletter. Since one staff member was previously positive, as per guidelines, we still have one more round of testing this Thursday for the residents.

Unfortunately, the State Health Department has not issued any relaxations to the regulations for nursing homes yet but we are hoping that they will soon. It's encouraging to see the positivity cases drastically decline and businesses reopening.

We are deeply grateful for your continued support and understanding in our efforts to keep the Residents safe and healthy. We're looking forward to the St Patrick's and St. Joseph's day celebrations. Despite our limitations we will do what we can to make these BIG feast days joyful events for the Residents. Have a great weekend!

Sincerely,

*Sr. Gertrude Mary*
