Dear Family Members,

Happy Easter! As we come to the end of our Lenten journey and the last days of the Paschal Triduum, we come to wish everyone a Blessed and Holy Easter! We are happy to tell you that we have had no positive cases of Covid-19 among Residents, Staff or Sisters. We continue to deal with the restrictions that are still in place but as things continue to improve we are hoping that we will see some of them slowly being lifted.

The beautiful Spring weather and flowering trees that surround our property has lifted everyone's spirits and have allowed some outdoor activities. Although few, more days out doors are around the corner and the Residents will be able to enjoy our beautiful patio more often.

As we celebrate one of the most beautiful feasts of the Church year we pray for peace in the world and especially in Ukraine. We also remember each of you and your families in our Easter celebration and prayers. Have a great weekend.

Sincerely,

Sr. Gertrude Mary
