Dear Family Members,

I am happy to tell you that there were no positive cases of the Covid -19 among Residents, Staff, Sisters and Volunteers this week. Although we continue to live and work under the Covid restrictions which are still in place, we are enjoying the warmer weather and the beautiful signs of Spring all around us.

Today, on the feast of St. Joseph the Worker, our Association Jeanne Jugan Members renewed their promises and four new members were welcomed into the association. These collaborators contribute not only their time and talents but go a step further and participate in the spirituality of the Little Sisters of the Poor. They enjoy days of prayer, conferences and opportunities to deepen their spiritual life. They also share in the hospitaller mission of the Little Sisters according to their abilities as a lay person. This association is worldwide and their help is invaluable!

We will soon be celebrating the Golden Jubilee of our Mother Provincial Alice Marie Monica which will take place on May 5th. Please keep her in your prayers especially on the occasion of her Jubilee. She has a heavy responsibility in overseeing the six homes in this province along with the novitiate (house of formation for the young sisters) and our retreat house in Flemington New Jersey.

Have a great weekend.

Sincerely,

Sr. Gertrude Mary
