

May 28, 2022

Dear Family Members,

I am happy to tell you that there were no positive cases of the Covid -19 among Residents, Staff, Sisters and Volunteers this week. We're looking forward to the Memorial Day BBQ and are hoping that the weather will permit some outdoor activities.

We celebrated our Mother General's feast day this week and the Residents enjoyed a special meal to celebrate. The Kentucky Derby and Preakness gave everyone a chance to get together and cheer on their favorite horse.

The Sisters, staff and our Activity Director continue to engage the Residents in some fun and craft activities and games. Although Bingo is always a favorite, Family Feud seems to give it a lot of competition. It looks like summer-like weather is around the corner. Have a great Memorial Day weekend and enjoy the beautiful days ahead that God has given us.

Sincerely,

Sr. Gertrude Mary lsp
